BABY TO GROW  
AND THRIVE

LANA CARE

Our blanket is light as a feather and soft as silk.

The soft wool gives comfort to a not fully developed skin.

LANA CARE

IT TOUCHES GENTLY TO THE  
SKIN, GIVES NATURAL WARMTH  
AND COMFORT.

NO INSIDE SEAMS PRESSING.

LANA CARE

The warmth that the pad gives, makes the letting go of the milk instant.

This is important when the baby is small and doesn't have the strength to nurse for long.

When wet, dry the pads on a warm radiator or a place where dry heat is available.

LANA CARE

## BREAST CREAM FOR NURSING CARE

Breast Cream 40ml.

Hypoallergenic Lanolin cream.

The cream helps healing  
of sores or cracked nipples.

Do not remove before  
breastfeeding.
